Prior to the meeting, Kim Caro-Ryan and several of our members helped sort and sticker dictionaries for our annual dictionary project. Rotarians from our club deliver dictionaries to the 3rd Grade classes in Shelton and Derby. In addition to sharing all the neat reference and resource materials in the dictionaries, our members introduce the third graders to the Rotary and the 4-way-test.

Voices Wanted!

Help Griffin Hospital bring a little holiday "soul" to the Naugatuck Valley this winter!

Ever wanted to sing in a gospel choir? Well here's your chance! Join a choir of volunteer singers from throughout the Valley under the direction of Angela Clemmons, a professional singer for more than 35 years and director of the acclaimed "Shoreline Soul" performances in Madison, CT.

Take part in five two-hour workshops, culminating in a hand-clapping, foot-stomping, this-couldn't-possibly-be-Naugatuck-Valley concert of traditional and contemporary gospel and holiday music at Assumption Church in Ansonia on December 14 at 7:00pm!

Training Sessions (6:45-8:45 p.m. at Assumption Church in Ansonia, CT)
November 1, 8, 15, 29, and December 6, 2017

"Our weekly sessions are upbeat, fun and very user-friendly," Clemmons said. "No one needs to know how to read music. All songs are taught by ear and everyone is given a practice CD. It's amazing how much the choir learns and how confident they become in five short weeks, particularly when many have never sung gospel before."

The cost to participate is \$20 per singer.
Voluntary donations will be accepted at the concert and all proceeds will benefit TEAM, Inc.

Sign up online at <https://griffinhealth.givezooks.com/events/shoreline-souls>
For more information, contact Angela Clemmons at 203-619-1415 or shorelinesoul@comcast.net.
Although the workshop is primarily for adults, youth who are able to follow a lyric sheet are welcome to participate.

Customers can get buckets and make a donation at Marks of Design, Real Estate Two, Griffin Hospital, online on Griffin Hospitals website, or at any Valley Goes Pink Event. Those who donate will be able to dig into an 8 FT trough full of sand to win a chance at a 1.00 carat diamond or other precious faceted stones. Customers will then move on to the Filtration station to sift through the sand they scooped into their bucket to see what they've won. Next, customer's move to the Identification station to identify the stone they dug up. A representative from our casting house will be here for the event to do CADD designs for customer's interested in creating a setting for their stone(s).
