

Shawn Fields was president of the Club during the 2011-2012 Rotary Year. Originally from Harwinton, he now lives in Oxford. He will admit to being at some point in his life: a librarian, college administrator, tutor, career advisor, mentor, businessman, musician, and Marine. Shawn was honored to be called a Rotarian. Along with wife Lorrie, he likes to collect degrees. Between the two of them they have earned 7, with 1 in the works. He and his wife have no kids, no pets, and no problems; and at least 2 of those things are true.
